# AN ELECTION MESSAGE FROM BELFAST CITY AIRPORT WATCH

## Dear local resident,

I am contacting you on behalf of Belfast City Airport Watch, the umbrella residents' group which is campaigning to make life quieter for residents living near the flight paths from George Best Belfast City Airport.

The airport has submitted proposals to relax noise controls and expand its operations, permitting **much higher levels of noise than we've previously experienced and allowing the number of jet flights to be doubled.** These plans will damage the quality of life, health and education of ordinary people and children in our local communities.

**Our politicians will soon have to decide whether or not to allow the airport's proposals to go through.**

We're campaigning to stop these alarming proposals. We believe it's perfectly possible for the airport to operate successfully without making residents' lives a misery.

The current election campaign gives you a great opportunity to help influence future policy towards the airport. **We've enclosed a poster which we're asking you to display in your front window, so that it will be visible to any politicians and their canvassers during the election campaign. That way, they'll know that the airport's proposals concern you** – whether or not you're in when they call.

## HERE'S WHAT TO DO IF YOU DON'T WANT AIRCRAFT NOISE TO GET MUCH WORSE:

- **stick the enclosed poster in your front window**, facing outwards, in a spot where any callers to the door will see it
- if politicians or election canvassers knock at your door, **tell them you're concerned about the airport's proposals because you don't want aircraft noise to get worse**
- **use the contact details supplied in election literature to let election candidates know that the airport's proposals concern you**
- **if you haven't already, sign up to our campaign** by visiting our website: [www.BelfastCityAirportWatch.co.uk](http://www.BelfastCityAirportWatch.co.uk) or by filling in and returning the form\*. Every signed up supporter helps make our campaign stronger – please don't delay, do it today!

\*Please note - if you've received this flyer by post or email, you're already a signed up BCAW supporter.
